

Our Savior's Lutheran Church

March 15, 2020

Good afternoon friends and members of Our Savior's,

Out of an abundance of caution in this unprecedented time, OSLC has decided to close our building for the next couple of weeks. This decision is not made lightly but is done for care of our community and love of our neighbor. Any way we can minimize the spread of the corona-virus, can assist those who work in our healthcare system as well as the most vulnerable population. Pastor Jonathan addresses this briefly in his sermon from this Sunday in our live-stream of worship: <https://www.facebook.com/oursaviorslc.org/videos/210293873511103/>

To be clear, midweek soup suppers & worship, Bible study, all in-person meetings, and Sunday worship are cancelled until at least April 1. We will revisit and make a decision when we are reopening at the end of this month. Pastor Jonathan also will only be making in-person visits in cases of emergencies, but is still available by phone calls, texts, Facebook messages, and can set up video calls as well.

Over the next couple weeks, Pastor Jonathan will be posting a shorter worship on Sunday mornings on our Facebook page, and more short videos over the course of the week.

Please note that the office will contact those without email, but you are welcome to reach out as well.

In this time of social distancing, know that you are not alone. God is with you at all times. Please reach out to fellow members of Our Saviors family especially during this time. Share Gods love, just not your germs.

God's Blessing!

Pastor Jonathan
